

# THE QUADRO COLLECTION

The QUADRO Collection is made up of individual wood squares with a tiny bevel on all sides.

To emphasize the pattern, larger elements can also be given a square bevel of 1 mm wide and 2 mm deep on all sides. When the elements are laid together, the square bevel measures 2 x 2 as in the image on the right.

All elements have one tongue and three grooves; loose tongues are supplied.

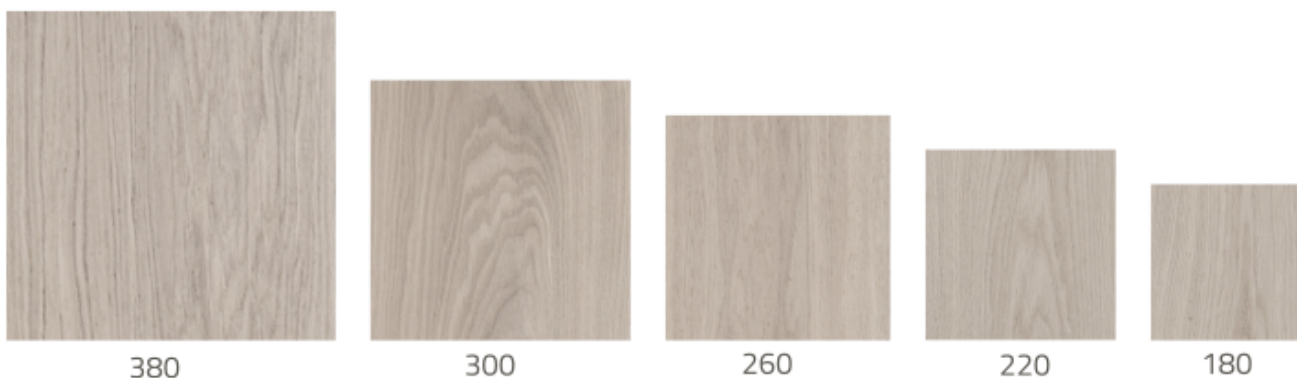

OAK QUADRO 180 mm, 'Italian Grey'

# DESIGN YOUR OWN QUADRO FLOOR

choose your dimension and add one of our trending finishes of your choice
